

SIERRA LEONE GOVERNMENT
NATIONAL COVID-19 EMERGENCY RESPONSE CENTRE (NACOVERC)
FREETOWN

Public Notice 02

Freetown 3rd July, 2021

Further to growing speculations that drivers and passengers may be subjected to unwarranted road checks for vaccination cards during inter and intra district travels, NaCOVERC wishes to make it abundantly clear that there is no such policy. Drivers and passengers are only strongly encouraged to take the COVID-19 vaccine for their protection and to reduce the risk of transmission. Production of vaccine cards by drivers and passengers *is not a strict requirement*. The only situation requiring persons to produce evidence of COVID-19 vaccination is for accessing Government buildings.

NaCOVERC is therefore calling on all community stakeholders including security forces to consult with us where clarity is needed on any measure, to forestall their application out of context.
